2018 CONFERENCE HIGHLIGHTS

GENERAL INFORMATION...

1st International conference "The Holistic Approach to Environment" was held on 13 and 14 September 2018 in Sisak Oil Refinery's Social home, Sisak, Republic of Croatia. The aim of the conference was to learn new facts, gain more knowledge, share experiences, understand and expand existing and get new ideas, learn about new methods, instruments, techniques and technologies, as well as to raise public awareness about waste management, the rational use of natural resources and energy, sustainable development, environmental engineering, bioethics, and more generally, about greater and more responsible care for the environment.

The conference was organized by the Association for Promotion of Holistic Approach to Environment from Sisak. Co-organizers are the Centre of Excellence for Integrative Bioethics from Zagreb, the University of Applied Sciences Velika Gorica and the Balkan Environmental Association from Greece.

AND AT THE END...

From a modest idea, a conference was created with great interest from the profession and the public. Thank you to everyone who recognized our efforts and work, thank you for your support and assistance with the invitation to continue our cooperation. We also invite all those who did not participate in this event to join us in 2020!
