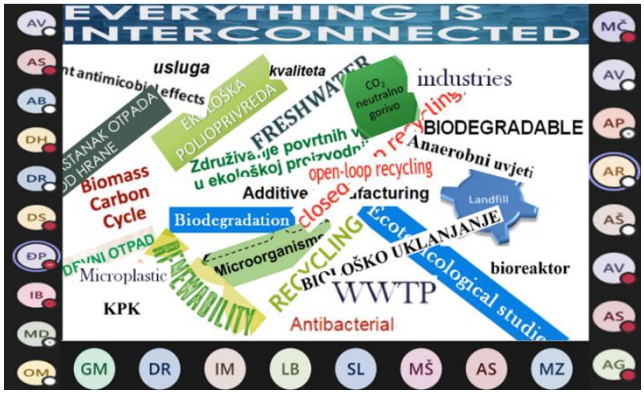
# 2021 CONFERENCE HIGHLIGHTS

## GENERAL INFORMATION...

After the successful holding of the 1st International conference "The Holistic Approach to Environment" and extremely positive comments, the enthusiasm and desire to repeat the event was especially great. However, the devastating earthquake as well as the pandemic caused by the COVID-19 virus prevented the organizers in their plan. The planned date of May 21 and 22, 2020, has been postponed several times. Nevertheless, the 2nd International conference "The Holistic Approach to Environment" was held, but a year later and in a slightly different environment.

Organized by the Association for Promotion of Holistic Approach to Environment from Sisak and co-organized by the Balkan Environmental Association, University of Zagreb Faculty of Geotechnical Engineering, University of Applied Sciences Velika Gorica and Sisak-Moslavina County, the conference was held on May 28, 2021 in a virtual environment through interactive platform Microsoft Teams.



The objective of the conference was to get acquainted with new facts, gain more knowledge, exchange experiences, understand and expand existing and gain new ideas, get acquainted with new methods, instruments, techniques and technologies, but also raise awareness of the general public about environmental protection.

## AND AT THE END...

From modest idea formed the conference with great interest of the profession and the public. Despite all the adversity, we continued to work.

Thank you to everyone who recognized our efforts and work, thank you for your support and help, thank you for working with us in a way that the conference continues and becomes a tradition...

**Thanks everyone!!!**
